

PSVB-IN

In Ground Direct Burial 72" Variable Height Pedestal

Fabricated w/ powder-coated U.S. steel for maximum durability

100% compatible with our polycarbonate, injection molded, wireless friendly PCH series Housings.

KEY FEATURES:

CLEAN, PERMANENT INSTALLATION

Installed directly into the ground with concrete fill, giving a neat, professional look and eliminating visible base plates or bolts.

TIME AND MONEY SAVINGS

No need to pour a concrete pad and countersink mounting bolts

DURABILITY

Made from 14 gauge US Steel in the USA, electrostatically powder coated for maximum durability and corrosion resistance.

PROFESSIONAL AESTHETIC

Sleek look that integrates well w/landscaping & modern architecture. Precise mandrel bending technology insures a smooth, unwrinkled bend

STABILITY

Anchored below grade with concrete fill for a sturdy installation.

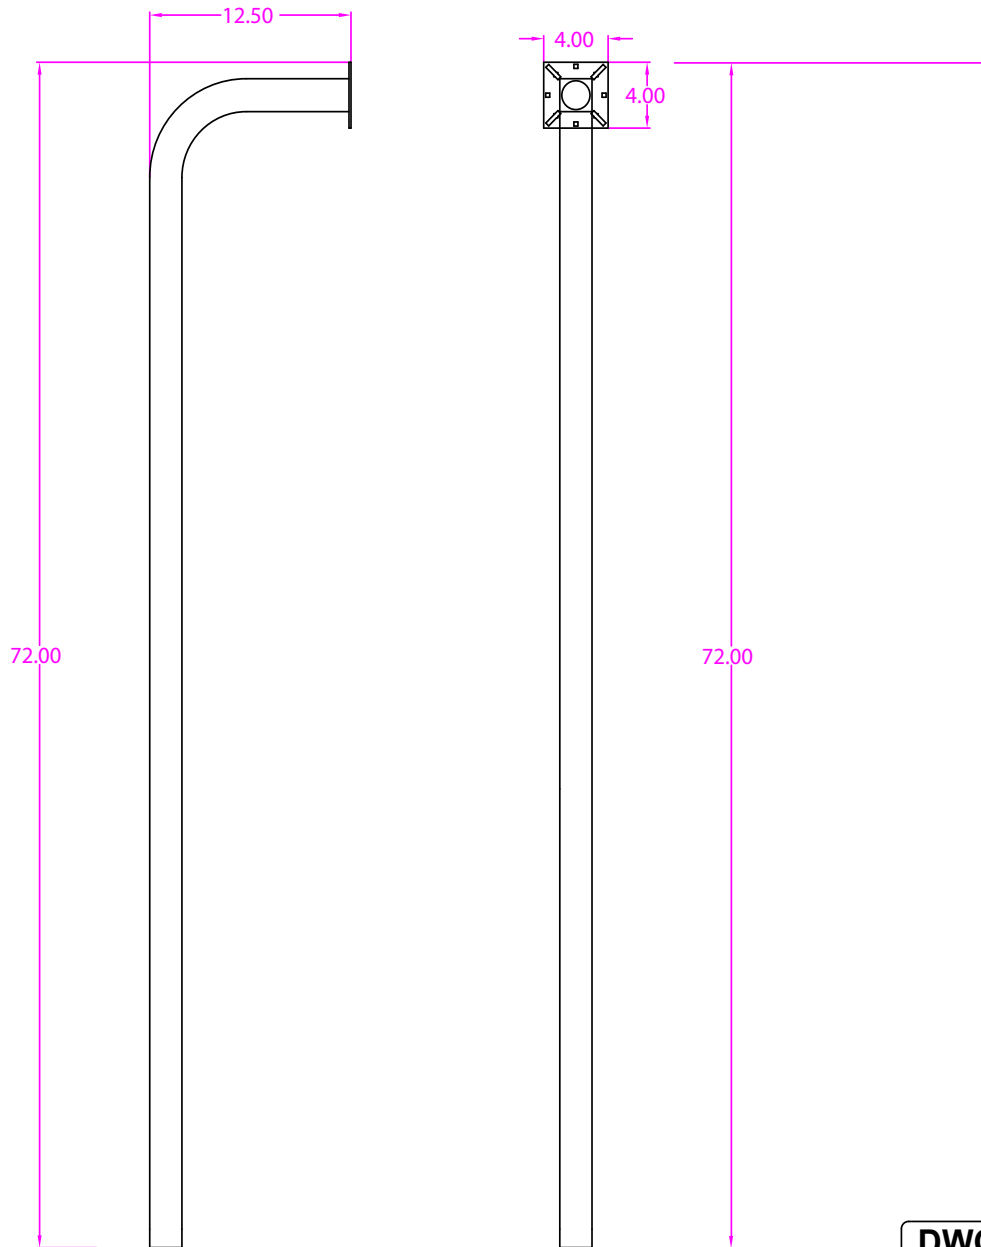

CUSTOMIZABLE HEIGHT

Total Pedestal height is 72 inches - recommended minimum "in ground" burial depth of 16 inches for stability - allows for variable mounting height of 36, 42, 48, 54 or 56 inches
